Docket No. 98N-1265 17 '99 MAR 18 NO 22

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

**I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.**

COMMENTS:

*I am very concerned about this. I'm afraid my ability to obtain compounded natural hormones which I depend on to remain symptom free will be taken away from me. My hormone levels are checked regularly & adjustments can be made by compounding. Please don't take away this choice!*
